

The definitive book on options trading and risk management

"If pricing is a science and hedging is an art, Taleb is a virtuoso."

► **Bruno Dupire, Head of Swaps and Options Research
Paribas Capital Markets**

"This is not merely the best book on how options trade, it is the only book."

► **Stan Jonas, Managing Director
FIMAT-Société Générale**

"*Dynamic Hedging* bridges the gap between what the best traders know and what the best scholars can prove."

► **William Margrabe, President
The William Margrabe Group, Inc.**

"The most comprehensive, insightful, intuitive work on the subject. It is instrumental for both beginning and experienced traders."

► **Peter Tselepis, Global Risk Manager
Currency Options Trading
Banque Indosuez**

"A tour de force. That rare find, a book of great practical and theoretical value. Taleb successfully bridges the gap between the academic and the real world. Interesting, provocative, well written. Each chapter worth a fortune to any current or prospective derivatives trader."

► **Victor Niederhoffer, Chairman
Niederhoffer Investments**
